Victoria's premier downhill racing  
competition

for 13's and above

Event details closer to the date

Volunteers needed, event sign up page  
will be circulated

## Dear MTB East Gippsland Members,

We are excited to let you know that there are a number of events that the club will be running or hosting between now and Christmas. Below is a brief outline of the events, as details are confirmed our website will be updated to provide as much information as we can. We will be publicising each of them on our social media platforms, Facebook and Instagram, so please like and follow those pages to keep up to date with all the club activities. For those not on social media the club will provide updates via email.

The Joyride Rookie Cup and VDHS are large events that we are fortunate enough to be able to host this year. Both events will be held at the Mt Taylor MTB park and will run over two days. To run these events effectively and ensure a great day of racing for competitors and spectators we rely on volunteers to assist. If you can volunteer some of your time over one or both weekends we would love to hear from you. Please send an email to [events@mtbeg.com.au](mailto:events@mtbeg.com.au) to let us know your availability, alternatively we will be circulating volunteer sign-up pages in the weeks before both events.

If you have any questions or would like further information, feel free to reach out to us.

Sincerely,

**MTBEG Committee**

## Event Wrap Up

### 2024 Mt Taylor Winter Enduro

The club held the Mt Taylor Winter Enduro on the 11th of August, 2024. The event was a great success with a total of 69 riders participating and enjoying the day in the sun.

A 'Club Canteen' was trialled to help raise funds to undertake necessary trail maintenance and purchase equipment, which will contribute to a better riding experience at Mt Taylor. The canteen provided drinks and snacks for purchase and made a total profit of \$359.00, the committee plans to provide a canteen at future events to continue raising funds for the club.

A big thanks to all that came along and supported this event
